

TEC-EES Final Presentation Days 2011

22 February, 2011

Room Einstein

ESA/ESTEC

Noordwijk, The Netherlands

A Final Presentation Day will be held on the afternoon of the 22nd February at ESTEC in the Einstein lecture theatre, organised by ESA's Space Environments and Effects section. Three presentations are grouped around the theme of solar energetic particles (protons and electrons) and their modelling.

Agenda

Tuesday 22nd February, 2011

ESTEC/Einstein

Start	End	Presenter	Title
13:30	14:15	Cosine	Solar/Interplanetary Electron Hazard Modelling - Final Presentation
14:15	14:45	Nat. Obs. Athens.	SREM Solar Particle Event Scientific Analysis - Update
14:45	15:00	BIRA	Solar Energetic Particle Event Modelling: Summary Presentation
15:00	15:15		coffee
15:15	17:30	SEPTEM consortium	Solar Energetic Particle Event Modelling: Final Presentation
17:30		ESA	Close
